SUBJECT

**ALL P-63 SERIES ENGINE BRAKES  
FOR THE DETROIT DIESEL 60 SERIES ENGINE****INTERCHANGING P-63, A, B, C AND APPLICATIONS**

**Attention all dealers and installers,** due to internal design changes of the Pacbrake P-63, P-63A, P-63B, and P-63C it is imperative that you do not interchange the above engine brake models with each other on any engine or severe engine damage may result. However, the Pacbrake model P-63C is approved for all 12.7 L engines. Please consult Pacbrake factory and or chart below:
