

CAUTION!

IMPORTANT INFORMATION

This P-80A engine brake kit is not approved for use on Detroit Diesel Series 60® engines equipped with EGR.

DO NOT install this Pacbrake kit on the following engine model numbers, they are equipped with EGR valves:

6067MK6E, 1E, 2E, 4E, 5E

6067HK6E, 1E, 2E, 4E, 5E

Please check the model number stamped on the engine block before removing the valve cover.

Please contact Pacbrake factory at 800 663 0096 if you require an engine brake for an EGR equipped engine.
